South Beach Salsa is a fictional story of the normalization of relations between the governments of Cuba and the United States. Written in 2012, the story-line examined plots between Chinese Triad operatives, a couple of US Senators, and Russian businessmen to control the telecommunications and cell-phone industry of Cuba. Supported by a Latin beauty, Magdalena Gonzales, Colonel James Donovan and his team of Special NESO Agents rescue a United States Senator, take down foreign operatives and uncover a diabolical plot to overthrow the democratically elected Government of the United States.
