*I subtitled this book *Things I Wish I Could Tell My Students*. I could have summarized this as *The Truth*, because that is what we arent allowed to tell them. Now we do tell them what happens, and its the version of it that is made to deceive. Historians vote FDR the greatest president. This is what they are supposed to do. They were not taught that his New Deal destroyed the economy and brought Marxist socialist contradictions into America. My book is intended to reveal the 2+2=5 nature of what we are told about history, ourselves, and Truth.*
