This book contains a new, true, easy, profound technique that can help one heal everything within, come home and live free. It boils the healing process down to its two most essential ingredients and delivers them where they are needed in the most effortless, effective way. It is universally applicable-free of ethnicity, greed, dogma and shadow-and requires no teacher, group or belief system. It is bedrock basic and similar to many things, but unique in its grace-filled simplicity and power. It also contains the history of the soul through whom it came. From the center of the galaxy, through Earth's development and humankind's history, from his earliest memories through his intimate, five-year association with the Transcendental Meditation guru, from being subdued by beefy sheriffs in a maximum-security cell to his global healing and awakening, to select secrets of sex, tantra, the Dimensions, Earth and our Universe, he takes us on a unique journey.
