*Lily has died in a car accident. The trouble is, Lily's really not at all sure she wants to 'move on' . . . This funny, heartbreakin*g novel is perfect if you loved John Green or The Lovely Bones. Lily wakes up one crisp Sunday morning on the side of the road. She has no idea how she got there. It is all very peaceful. And very beautiful. It is only when the police car, and then the ambulance, arrive and she sees her own body that she realises that she is in fact . . . dead. But what is she supposed do now? Lily has no option but to follow her body and sees her family - her parents and her twin brother - start falling apart. And then her twin brother Ben gives her a once in a deathtime opportunity - to use his own body for a while. But will Lily give Ben his body back? She is beginning to have a rather good time . . . A moving, startlingly funny and yet achingly sad debut novel from a stunning new talent.
